FOR IMMEDIATE RELEASE

Frazier Mountain Park Road On-Ramp to Southbound I-5 Closed Through Early May

Gorman — The California Department of Transportation (Caltrans) will close the Frazier Mountain Park Road on-ramp to southbound I-5 from April 5, 2013, through May 4, 2013, while crews place new concrete pavement. Detour signs direct motorists to access southbound I-5 at the Gorman Road on-ramp.

The work is part of a project that is replacing slabs in both directions of I-5 between the Vista Del Lago Road overcrossing and the Kern County Line, a distance of 15.4 miles.

This \$100.1 million project, which will be completed in mid-2015, will extend the life of the pavement, reduce maintenance costs and closures, and provide a smoother ride for motorists. The contractor is Griffith/Coffman Joint Venture of Brea, Calif.

Closure information for this and other freeway projects is available on the Caltrans website: <http://www.lcswebreports.dot.ca.gov/lcswebreports/>
