FOR IMMEDIATE RELEASE

Closures Update for the I-5 Pavement Improvement Project Vista Del Lago Road to Kern County Line

SPECIAL CLOSURE NOTES

- There's a new **LANE SPLIT** on **northbound I-5 two miles south of Vista Del Lago Road**. Motorists in the #3 lane will merge into the #2 or #4 lane.
- The **southbound I-5 off-ramp to Gorman Road** will be **CLOSED** August 6 – 15, 2013.
- A **BYPASS LANE** is in effect on **southbound I-5 between Frazier Mountain Park Road and Gorman Road**. The bypass lane will remain in effect through August 29, 2013.
- The **southbound I-5 Frazier Mountain Park Road on-ramp** will be **CLOSED** through August 29, 2013. The detour is posted.

Gorman — The California Department of Transportation (Caltrans) plans to implement the closures listed below as part of a pavement improvement project on the Golden State Freeway (I-5) between Vista Del Lago Road and the Kern County line.

Signs will be posted for all detours. No unusual levels of dust, noise or vibration are expected. Closures are subject to change.

Motorists should expect regular closures at multiple locations in the project area through November 2013.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.

- more -

Closure information for this and other freeway projects is available on the Caltrans website: <http://www.lcswebreports.dot.ca.gov/lcswebreports/>

Call 511 for real-time traffic information or visit go511.com.

Closure Dates: Sunday, August 4, through Saturday, August 10, 2013.

On-Ramps

- Gorman Road — 8 p.m. to 6 a.m. and 10 a.m. to 3 p.m.
- Frazier Mountain Park Road — Closed through August 29, 2013.

About the Project

This project will replace slabs in both directions of I-5 between the Vista Del Lago Road overcrossing and the Kern County Line, a distance of 15.4 miles.

The two outside lanes and outside shoulder will be completely replaced, and damaged pavement slabs will be replaced in the inside lanes. Additionally, the project will update drainage features, upgrade the wooden guardrail posts to metal, add post mile signage, widen the inside shoulders, replace broken approach and departure slabs, and repave ramps.

This \$100.1 million project, which will be completed in mid-2015, will extend the life of the pavement, reduce maintenance costs and closures, and provide a smoother ride for motorists. The contractor is Griffith/Coffman Joint Venture of Brea, Calif.

Most of the construction will be completed at night to minimize inconvenience to motorists, though there will be some work during the day.
