FOR IMMEDIATE RELEASE

Closures for the I-5 Pavement Improvement Project Vista Del Lago Road to Kern County Line

SPECIAL CLOSURE NOTES FOR THIS WEEK

- ▶ The **Gorman Road on-ramp** to southbound I-5 is now **OPEN**.
- ▶ The southbound I-5 **off-ramp to SR-138** and **Quail Lake Road on-ramp** to southbound I-5 will be **closed Sept. 27 through Oct. 20**. Motorists can access SR-138 from Gorman Road and southbound I-5 at Gorman Road or Smokey Bear Road. The detour will be posted.
- ▶ A **bypass lane** will be implemented on southbound I-5 from **Smokey Bear Road to one mile south of Vista Del Lago Road Oct. 4 - 31**. Motorists using the bypass lane will be driving to the **left** of the existing median.

Gorman — The California Department of Transportation (Caltrans) plans to implement the closures listed below as part of a pavement improvement project on the Golden State Freeway (I-5) between Vista Del Lago Road and the Kern County line.

Signs will be posted for all detours. No unusual levels of dust, noise or vibration are expected. Closures are subject to change.

For the safety of the construction crew and motorists, please be attentive to closures, slow for the cone zone, and move over one lane where possible.

Closure information for this and other freeway projects is available on the Caltrans website: <http://www.lcswebreports.dot.ca.gov/lcswebreports/>

For real-time traffic information, visit quickmap.dot.ca.gov or call 5-1-1.

Closure Dates: Monday, Sept. 30, through Saturday, Oct. 5, 2013.

Connectors

- Westbound SR-138 connector to southbound I-5 — 8 p.m. to 6 a.m. and 10 a.m. to 3 p.m.
- Southbound I-5 connector to eastbound SR-138 — 8 p.m. to 6 a.m. and 10 a.m. to 3 p.m.

About the Project

This project will replace slabs in both directions of I-5 between the Vista Del Lago Road overcrossing and the Kern County Line, a distance of 15.4 miles.

The two outside lanes and outside shoulder will be completely replaced, and damaged pavement slabs will be replaced in the inside lanes. Additionally, the project will update drainage features, upgrade the wooden guardrail posts to metal, add post mile signage, widen the inside shoulders, replace broken approach and departure slabs, and repave ramps.

This \$100.1 million project, which will be completed in mid-2015, will extend the life of the pavement, reduce maintenance costs and closures, and provide a smoother ride for motorists. The contractor is Griffith/Coffman Joint Venture of Brea, Calif.

Most of the construction will be completed at night to minimize inconvenience to motorists, though there will be some work during the day.
