FOR IMMEDIATE RELEASE

LANE AND RAMP CLOSURES

Long Beach Freeway (I-710) from Route 105 to Firestone Boulevard

SOUTH GATE: The California Department of Transportation (Caltrans) will intermittently close the following lanes and ramps on northbound and southbound Long Beach Freeway (I-710) from the Glenn Anderson Freeway (State Route 105) to Firestone Boulevard.

Closures are subject to change. The schedule is as follows:

Nightly, Friday, June 4 through Friday, June 11, 2010:

Lane Closures

8 p.m. to 6 a.m. - up to 3 lanes on north- and southbound I-710 from Firestone Blvd. to SR-105.

Ramp Closures

7 p.m. to 6 a.m. – northbound and southbound I-710 on-ramps and off-ramps

- to eastbound and westbound Imperial Highway
- to eastbound and westbound Firestone Boulevard

Saturday, June 5 and Saturday, June 12, 2010:

Lane and Ramp Closures

1 a.m. to 5 a.m. - up to 3 lanes on north- and southbound I-710 from Firestone Blvd. to SR-105.

1 a.m. to 7 a.m. – northbound I-710 off-ramp to Imperial Highway.

This project is part of the I-710 Long Life Pavement Rehabilitation strategy from the San Diego Freeway (I-405) to the San Bernardino Freeway (1-10). The work for this project involves rehabilitating 2.3 miles of aging pavement to provide a roadway with several decades of service life, improved pavement performance and a smoother ride for the traveling public. The existing pavement is being replaced with Long Life Asphalt Concrete (also known as 'rubberized hot mix asphalt') and roadway widening will occur where possible to provide standard lanes and shoulder widths. The contractor for this \$50 million project is Sully-Miller Contracting Company. Estimated completion date is spring 2011.
