Pavement Work Scheduled for Topanga Canyon Boulevard (SR-27)

Los Angeles – The California Department of Transportation (Caltrans) will close both directions of Topanga Canyon Boulevard (SR-27) between Valerio Street and Nordhoff Street, weekly, Monday through Thursday, 7 p.m. to 6 a.m. and Friday, 8 p.m. to 10 a.m. beginning July 8, through September, 2009.

One will remain open in each direction during construction. Temporary no parking signs will be posted as necessary during work hours only. Short-term access to driveways may be impacted during construction.

All-American Asphalt is the contractor on this \$963,000 project, which will include pavement and loop detector work. Closures are weather-permitting and subject to change.
