State Route 134 is a heavily traveled freeway used by commuters and commercial vehicles. Resurfacing of ramps will provide a smoother safer drive for more than 220,000 vehicles daily traveling this 6.5 mile portion of the Ventura Freeway. The project is expected to complete summer 2010. All American Asphalt is the contractor on this \$1.3 million project, primarily funded by the American Recovery and Reinvestment Act. Caltrans advises motorists to “**Slow For The Cone Zone.**”
