## **I-405 CLOSURES SCHEDULED IN CULVER CITY**

**CULVER CITY** – The California Department of Transportation (Caltrans) will close the westbound Marina Freeway (Route 90) connector to the northbound San Diego Freeway (I-405) daily, from 10 a.m. to 3 p.m., beginning Monday, March 12 through Friday, March 16 and again on Monday, March 19 through Friday, March 23.

Detours will be signed.

Caltrans also will close the northbound I-405 off-ramp to Culver Boulevard/Braddock Drive from 9 a.m. to 3 p.m. daily, from Monday, March 12 to Friday, March 19.

The closure is in connection to the \$167 million High Occupancy Vehicle (HOV) project on I-405 from Route 90 to I-10. The project is expected to complete late 2008. It is an extension of the just-completed HOV lane project on I-405 from the Century Freeway (Route 105) to Route 90.
