

Caltrans Construction Notice

SOUTHBOUND I-5 FREEWAY CLOSURES

I-5 HOV Improvements – SR-118 to SR-170

September 4, 2013

WHAT

FULL SOUTHBOUND I-5 FREEWAY CLOSURES

During the nights of **September 8, 9 and 10, 2013**, crews will be transferring equipment across southbound I-5 and pouring concrete for the new I-5/SR-170 HOV connector. For the safety of motorists, **this work requires three night closures of southbound I-5 between Osborne Street and Sheldon Street, as well as night closures of southbound I-5 on-ramps at Terra Bella Street and Osborne Street. Additionally, the westbound and eastbound SR-118 connectors to southbound I-5 will be closed.** (Motorists traveling on eastbound and westbound SR-118 and *not* connecting to southbound I-5 will NOT be impacted.)

You may hear construction noise during the closure(s), but it will not exceed levels allowed by state and federal regulations. You may also notice lighting and a temporary increase in traffic on local streets.

The closure dates are subject to change. If you'd like to receive closure updates by email, contact us and provide your email address. (Contact information below.) Closure dates will also be posted on the I-5 website.
