PACIFIC COAST HIGHWAY EXTENDED LANE CLOSURE SCHEDULED

MALIBU – The California Department of Transportation (Caltrans) will close one northbound lane of Pacific Coast Highway (SR-1) between Serra Road and Cross Creek Road, daily, **Monday through Friday**, from 9 a.m. to 2 p.m. beginning January 21, until February 27. Caltrans has issued an encroachment permit for an adjacent private construction project. The lane closure is needed for the safety of workers and motorists within the project boundaries.

Caltrans advises motorists to “**Slow For The Cone Zone.**”
