MARINA FREEWAY (ROUTE 90) CULVER RAMP CLOSURES

MARINA DEL REY – The California Department of Transportation (Caltrans) has closed the westbound Marina Freeway (Route 90) Culver Boulevard off-ramp for approximately four weeks.

Beginning Monday, December 18, the Culver Boulevard on-ramp to eastbound Route 90 will close for approximately eight weeks.

All detours will be posted.

The closures are part of a \$17 million project to extend the Marina Freeway (Route 90) west beyond Culver Boulevard, construct a new interchange at Culver Boulevard, improve frontage roads and modify signals. These improvements will increase corridor capacity, improve traffic flow and enhance safety when completed in winter 2007/2008.
