CALTRANS TO CELEBRATE EARTH DAY

LOS ANGELES – More than 35 organizations and businesses ranging all the way from Starbucks to the American Lung Association will participate in the California Department of Transportation (Caltrans) Earth Day Festival on Tuesday, April 22, from 10 a.m. to 1 p.m.

Booths will be set up on the Caltrans District 7 Headquarters Building plaza, located at 100 South Main Street in downtown Los Angeles. In addition to the “green” information that will be available, there will also be food, festivities and fun.

Caltrans encourages everyone in the downtown area to stop by and discover ways to improve and protect the environment. The Earth you save could be your own.
