

# Caltrans Traffic Advisory

## THE EMPIRE PROJECT

April 4, 2014

### I-5 FULL FREEWAY CLOSURE

**What:** I-5 will be closed in both directions between Buena Vista Street and Lincoln Street in Burbank on Sunday, **April 13, 2014, 2 a.m. to 4 a.m.**

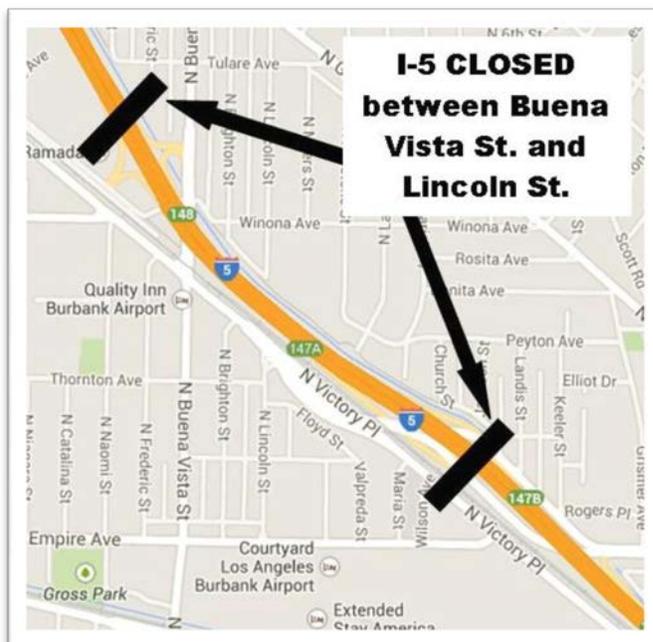

**When:** Lane closures will begin at 11:59 p.m. on April 12. All lanes will be closed by 2 a.m. on April 13 and will open by 4 a.m.

**Why:** The closure is necessary to ensure the safety of motorists and crews while overhead utility lines are removed as part of the Empire Project.

**Alternate Routes:** To avoid delays, consider using SR-170 instead of I-5. Motorists heading northbound on I-5 can take westbound SR-134 to northbound SR-170. Those traveling southbound can take southbound SR-170 at the I-5/SR-170 interchange, and then eastbound SR-134 to pick up southbound I-5.

**Detour:** A clearly marked detour will direct motorists who are diverted off I-5 during the closure and those seeking to access the freeway from local streets.

**Signs:** Electronic freeway signs will provide advance warning to motorists to allow them to avoid the closure area if desired.

### ABOUT THE PROJECT

The Empire Project is a series of improvements to I-5 in Burbank between Magnolia Boulevard and Buena Vista Street, including: carpool lanes, elevated railroad tracks, reconfigured ramps, a new interchange at Empire Avenue, reconstruction and widening of the Burbank Boulevard Bridge, and more. Information about the project is at [I-5info.com](http://I-5info.com).
