### COMMUNITY MEETING SET FOR STATE ROUTE 138 WIDENING – PHASE 2

**Llano** -- The California Department of Transportation (Caltrans) will hold a Community Meeting to provide information and receive public feedback regarding Phase 2 of the State Route 138 widening project.

The meeting will be held on Thursday, April 6, 2006 from 7 to 9 p.m. at the Crystallaire Country Club, 15701 Boca Raton Avenue in Llano.

The Phase 2 project is the second project to widen and improve the State Route 138 Corridor from Avenue T in Palmdale to State Route 18 in Llano. The project will widen 2.1 miles of State Route 138 from about 1 ½ miles east of Longview Road to 165<sup>th</sup> Street East. The project also involves construction of a single-deck bridge to replace the existing two bridges at the Big Rock Wash, located ½ mile west of 165<sup>th</sup> Street East. The widening project will improve safety and capacity, help to relieve congestion and aid in the efficient movement of goods and services along the Corridor.

Representatives from Caltrans will be available to provide project information and answer questions.
