FOR IMMEDIATE RELEASE **STATE ROUTE 138 WIDENING – PHASE 2** **UPDATE #6**

WESTBOUND STATE ROUTE 138 CLOSURE -- JUNE 14, 15, 16, 19, 20

Pearblossom and Llano – As part of the State Route 138 widening and improvement project, the California Department of Transportation (Caltrans) will temporarily close westbound State Route 138 in Pearblossom and Llano from 146th Street East to 165th Street East -- on Wednesday, June 14; Thursday, June 15; Friday, June 16; Monday, June 19; and Tuesday, June 20 -- from 6 a.m. to 3 p.m.

One lane will remain open to accommodate both eastbound and westbound traffic, alternating. Flaggers will be on site to assist motorists.

The closure is necessary in order to complete a temporary detour to be used during construction of a new bridge at Twin Bridges over Big Rock Wash. The temporary detour will be used by motorists while the new, larger bridge is being constructed.

Signs will be posted to assist motorists. Traffic delays of up to 20 minutes may be experienced.

These closures are weather-permitting and subject to change. The California Highway Patrol will be on site to assist with traffic management.

BUSINESSES ARE OPEN DURING CONSTRUCTION. PLEASE SUPPORT YOUR LOCAL MERCHANTS.

Caltrans thanks residents, business owners and the motoring public for their patience and understanding during these State Route 138 improvements.
