NORTHBOUND I-5 CLOSURES IN DOWNTOWN LOS ANGELES

LOS ANGELES—The California Department of Transportation (Caltrans) announces the following closures on the northbound Golden State Freeway (I-5) tonight and tomorrow night (August 23 and August 24) in connection with an emergency slab replacement project:

- 9:30 p.m. to 5 a.m., northbound I-5 at the westbound Santa Monica Freeway (I-10) connector;
- 10 p.m. to 5 a.m., up to four lanes on northbound I-5 from Marengo Street to Broadway. One lane of traffic will remain open for motorists.

The \$5.3 million project involves replacing storm-damaged pavement on northbound and southbound I-5 from Boyle Heights to Burbank. It began in June 2005 and will complete spring 2006.
