FOR IMMEDIATE RELEASE

KANAN ROAD ON-RAMP TO SOUTHBOUND U.S. 101 TO CLOSE FOR 6 WEEKS

AGOURA HILLS – The California Department of Transportation will close the Kanan Road on-ramp to the southbound Ventura Freeway (U.S. 101) for approximately six weeks beginning March 7, 2007.

Detour signs will be posted.

The closure is in relation to a \$23.5 million project to improve the Kanan Road Interchange. The locally-funded work involves new freeway ramps, realigning Canwood Street, and widening southbound Kanan Road to include a right turn lane to improve access to the new southbound U.S. 101 on-ramp. Work is expected to complete by summer 2007.
