FOR IMMEDIATE RELEASE

Closures on the Foothill Freeway (Interstate 210)

Los Angeles - The California Department of Transportation (Caltrans) will intermittently close up to two lanes on westbound I-210 starting Monday, June 8 through Friday, June 12, each night from 7 p.m. to 6 a.m. Scheduled closures are subject to change and/or cancellation.

June 8 through June 12

Westbound I-210

- From Lincoln Avenue/Howard Street undercrossing to Dunsmore Avenue undercrossing - Setting k-rail, clear and grubbing.

The night time closures are necessary to provide a safe work zone for construction crews while working along the median barrier.

The contractor for this \$148.5 M project is Flatiron West, Inc., Santa Fe Springs, California. Local businesses, motorists and residents may experience traffic delays, noise and vibrations from construction activities. Construction signs and changeable message signs will be in place. Motorists should anticipate delays, plan ahead and use alternate routes. Caltrans appreciates your patience while we work to improve Interstate 210.
