WHAT:

Press conference to discuss four upcoming 55-hour closures on the Pomona Freeway (SR-60) between Nogales Street and Fullerton Road beginning on Friday, July 12 and continuing for three more non-consecutive weekends through August 26. Motorists are encouraged to find alternate routes and limit driving in the area.

The nightmare that was avoided on that "other closure" could become a reality this time.

WHEN:

Wednesday, July 10, 2013 at 10 a.m.

WHERE:

Ethan Allen Parking Lot at Puente Hills Mall
1478 South Azusa Avenue, City of Industry, CA 91748.

Caltrans is rehabilitating the pavement on this section of SR-60 allowing for a smoother ride for motorists and increase the use life of the freeway.
