FOR IMMEDIATE RELEASE

NORTHBOUND SR-110 TO REMAIN CLOSED UNTIL THIS EVENING

SOUTH PASADENA – The northbound Pasadena Freeway (SR-110) will remain closed at the Orange Grove Avenue off-ramp until this evening while the California Department of Transportation (Caltrans) repairs a sinkhole that opened up in lanes early this morning.

The sinkhole was caused by corrosion of a storm drain. Crews are currently replacing a 26-foot piece of underground pipe.

Motorists should expect delays.
