NORTHBOUND ROUTE 14 LANE RE-OPENED

PALMDALE – The California Department of Transportation (Caltrans) has re-opened the Avenue S on-ramp to the northbound Antelope Valley Freeway (Route 14) and one lane of northbound Route 14 between Avenue S and Palmdale Boulevard that were closed earlier today for emergency repairs.

The area will be monitored over the weekend to determine if further closures are necessary.

Caltrans reminds motorists to slow for the cone zone.
