FOR IMMEDIATE RELEASE

PAVEMENT REPLACEMENT ON FOOTHILL BOULEVARD (STATE ROUTE 30 AND STATE ROUTE 66)

Update #4

LA VERNE, POMONA— The California Department of Transportation (Caltrans) continues pavement replacement on Foothill Boulevard between Baseline Road in La Verne and Equation Road in Pomona, through mid-May 2005. The work schedule is Monday through Saturday, 6 a.m. to 4 p.m. each day.

Pavement replacement on all lanes along Foothill Boulevard consists of overlaying asphalt, re-stripping the lanes and re-building the curbs over a 2.5-mile area.

The work may result in brief intersection closures. Caltrans will ensure customer access to businesses in the construction area. At least one lane will remain open for traffic in each direction at all times.

The contractor for this \$1.5 million project is R J Noble Company of Orange. All work is weather permitting.

Motorists are advised to expect traffic delays. Detour signs will be posted as needed.
