**FOR IMMEDIATE RELEASE**

## **55-Hour Weekend Closure on Sept. 26-29 New Freeway Lane Configuration on Southbound I-5**

### *Santa Ana Freeway (Interstate 5) South Corridor Improvement Projects*

**Santa Fe Springs** – The California Department of Transportation (Caltrans) will implement a **55-Hour Weekend Closure** on the Santa Ana Freeway (Interstate 5) in both directions from Carmenita Road to Valley View Avenue during the weekend of September 26 to 29. Crews will begin closing ramps and lanes and setting k-rail concrete barriers on Friday night, September 26, to prepare for full freeway and connector closures that start begin at 1 a.m. (Saturday morning, 9/27).

Motorists can expect overnight full freeway closures (1 a.m. to 7 a.m.) and partial lane closures during the day and night from 7 a.m. to 1 a.m. within these limits. Two freeway connectors leading to northbound and southbound I-5 will be closed throughout the weekend: the southbound I-605 connector to southbound I-5; and the westbound SR-91 connector to northbound I-5.

The **55-Hour Weekend Closure** is necessary to pave and re-stripe lanes in the center median roadway for a lane reconfiguration on southbound I-5. On Monday morning 9/29, motorists will experience a traffic switch to the center of the roadway. The existing southbound lanes will be the new construction work zone for the ongoing roadway and shoulder widening and soundwall construction. Additionally, the southbound I-5 Alondra Blvd. on-ramp will permanently close.

The **55-Hour Weekend Closure** includes:

- **Two freeway connectors will be fully closed throughout the weekend:**
  - southbound I-605 to southbound I-5;
  - westbound SR-91 to northbound I-5.
- **Overnight, Full Freeway Closures:**

  - Monday, 9/29, 1 a.m. to 5 a.m.
- **Day and Night: Partial Lane Closures: 2 of 3 lanes OPEN**
  - Sat. & Sun., 9/27 & 9/28, 7 a.m. to 1 a.m.
- **The Extended Weekend Closure ends Monday 9/29 at 5 a.m.**
