CORRECTION

Northbound I-405 FULL FREEWAY CLOSURES TO BEGIN NEXT WEEK

WEST LOS ANGELES – The California Department of Transportation (Caltrans) has scheduled the following closures of the northbound San Diego Freeway (I-405).

Northbound I-405

Wednesday, January 13:

- 1 a.m. to 4 a.m. – **All lanes** from National Boulevard to the Santa Monica Freeway (I-10).

Thursday, January 14 and Friday, January 15:

- Midnight to 5 a.m. – **All lanes** from I-10 to Santa Monica Boulevard.

The closures are necessary to enable striping work as part of the High Occupancy Vehicle (HOV, or carpool) lane construction on northbound I-405 between the Santa Monica Freeway (I-10) and the Ventura Freeway (U.S. 101).

Motorists can expect additional closures for the next 4 weeks through the northbound I-405 corridor.

When this project, also known as the Sepulveda Pass widening, is completed in 2013, motorists will be able to use the carpool lane in both directions of I-405 from the San Fernando Valley to Orange County.
