U.S. 101/I-405 Project Closures Scheduled

Los Angeles – The California Department of Transportation (Caltrans) will close the northbound San Diego Freeway (I-405) Ventura Boulevard off-ramp and the connector to the eastbound and westbound Ventura Freeway (U.S. 101) on Thursday, August 17, from midnight to 6 a.m.

Additionally, Caltrans will be performing night demolition work in the vicinity of the northbound I-405 Ventura Boulevard off-ramp from Tuesday, August 22 through Thursday, August 24, 9 p.m. to 5 a.m.

The work is part of a \$46 million improvement project at the 101/405 Interchange extending the current auxiliary lane on northbound I-405 past the Greenleaf off-ramp to the U.S. 101 connector, permanently closing the loop on-ramp from eastbound Ventura Boulevard and constructing the Dickens Street bypass. The project is estimated to complete in spring 2007.
