San Gabriel Canyon Road (SR-39) Opens to Crystal Lake Road

ASUZA – The California Department of Transportation (Caltrans) opened San Gabriel Canyon Road (SR-39) to allow motorists access to Crystal Lake Road (a County of Los Angeles road) on Tuesday, March 22 at 6:30 a.m. There is no access to SR-39 beyond Crystal Lake Road. The highway maybe closed occasionally due to inclement weather.

The project to repair storm damaged sections of SR-39 in the Angeles National Forest began May 2010. Two retaining walls were built to help support the highway. This \$400,000 contract was awarded to Chumo Construction, Inc. of Baldwin Park, California.
