

LEGEND

1-4 Subreach Study Segments

- B** Berry Creek
- BD** Broaddus Creek
- BT** Baechtel Creek
- D** Davis Creek
- H** Haehl Creek
- M** Mill Creek
- O** Outlet Creek
- TB** Tributary of Berry Creek
- U** Upp Creek

NOTE: The stream names on this map are based on the USGS topographical map, provisional edition, 1991. Caltrans has found that, in some cases, local residents and resource agencies may use different naming conventions than those shown on this map.

*This subreach of Outlet Creek cannot be seen in this map because it is obscured by the alignment of Alternative C1T.

Map 20. Location of Identified Stream Subreaches for Fisheries Analysis
