BID OPENS FOR CONFUSION HILL REALIGNMENT PROJECT

Caltrans announced today that the apparent low bidder for the Confusion Hill Realignment Project in Mendocino County is MCM Construction, Inc., of North Highlands, California for \$65.7 million.

The contract to realign Route 101 around the Confusion Hill rockslide will commence this summer. The new highway, approximately 2 miles long, will cross the South Fork Eel River away from the Confusion Hill slide area and will include construction of two bridges with connecting roadway.
