**District:** 1 - Eureka  
**Contact:** Phil Frisbie, Jr.  
**Phone:** (707) 441-4678

## FOR IMMEDIATE RELEASE

### 2007 Transportation Update

The public is invited to attend a drop-in style open house to learn about Caltrans District 1 transportation projects on Tuesday, May 15th, 2007 from 4PM to 7PM at the Wharfinger Building, 1 Marina Way, Eureka. This event is hosted by Caltrans in partnership with the City of Eureka, with participation from City of Arcata and County of Humboldt.

There will be over a dozen projects on display from Del Norte, Humboldt, Lake, and Mendocino Counties. These highlighted projects will include projects already under construction, and projects ready to begin construction. Caltrans currently has about \$110 million in projects under construction in this area, with more to start later this year.

Also on display will be four study groups and partnerships that are helping Caltrans and local agencies plan for future transportation needs.

Representatives from all four agencies will be available to answer your questions, and there will be informational handouts you can take home.

**Caltrans...We're Here To Get You There.**
