CALTRANS AIDS COUNTY OF HUMBOLDT WITH MARTINS FERRY BRIDGE

Eureka – Caltrans has helped expedite the repair of Martins Ferry Bridge by securing \$1.3 million in federal emergency relief funding to speed the repair process. Martins Ferry Bridge is a County of Humboldt facility recently closed due to impact to the structure from an adjacent landslide.

Caltrans worked with the Federal Highway Administration to get \$1.3 million issued now out of the \$8.5 million that has been committed.

A groundbreaking ceremony will be held on Wednesday, March 19, at 11:00 a.m. at Martins Ferry Bridge by the County of Humboldt to celebrate this achievement.
