## FOR IMMEDIATE RELEASE

### CALTRANS TO HOST OPEN HOUSE FOR ROUTE 255 FEASIBILITY STUDY

**Eureka** – Caltrans announced today that a public open house for the Route 255 Feasibility Study will be held on Wednesday, January 27, from 4:30 to 6:30 PM at the Manila Community Center, 1611 Peninsula Drive. This drop-in style open house will look at possible improvements to Route 255 from Eureka to Arcata. The public will have the opportunity to review displays, ask questions of Caltrans staff, and make comments and suggestions. There will be no formal presentation.

This feasibility study will investigate a full range of needs, options, ideas, opportunities, and constraints for traffic calming and non-motorized traffic accommodations along this route. In the future and as funding sources are identified, the study will be used as a reference document that identifies potential improvement projects. Preparation of the study in advance will enable Caltrans to respond to and compete for various project funding sources more quickly.
