REMINDER

ROUTE 20/29 INTERSECTION SAFETY PROJECT PUBLIC OPEN HOUSE SCHEDULED

EUREKA – Caltrans invites the public to attend an informational open house to review a proposed project to improve the safety of the Route 20/29 intersection in Lake County. The drop-in style open house will be held on Thursday, February 16, from 4:30 PM to 6:30 PM at Upper Lake Middle School Gymnasium, 725 Old Lucerne Road, in Upper Lake.

The purpose of the project is to improve the safety of the Route 20/29 intersection by reducing the frequency and severity of collisions. The project is needed because the collision rate at the intersection is 3.7 times greater than the statewide average for similar intersections.

Two alternatives are being considered: installation of traffic signals, or installation of a roundabout. The public will have the opportunity to review displays on these alternatives. Caltrans staff will be available to answer questions and receive comments or suggestions.

For more information, please call Sebastian Cohen, Project Manager, at 707-441-3991.

We're here to get you there
