

District 10 Mock Contract Workshop

For Small Business Owners in Construction

Caltrans, District 10 invites you to attend a Mock Contract Workshop for small business owners in the construction contracting fields. This workshop is beneficial for both business owners who are new to doing business with Caltrans and for those who may have some experience on Caltrans projects, but who wish to learn more about public contracting opportunities and how to successfully participate in the competitive bid process.

Contract Workshop Topics Include:

- How to find advertised projects and bidding Opportunities
- Learn more about how to get certified as Small Business (SB), Disabled Veteran Business Enterprise (DVBE) or Disadvantaged Business Enterprise (DBE)
- How to prepare a bid using a mock contract
- Reporting requirements, bonding and insurance Information
- Labor Compliance Requirements and certified Payroll
- Caltrans Safety Requirements
- Also, a panel of Prime Contractors will share how to become a subcontractor on a Caltrans project

Date: Wednesday, April 11, 2012
Time: Registration 8:00–8:30 a.m. to 2:30 p.m.
