

# Caltrans Is Hiring!

## Caltrans is Hiring

The California Department of Transportation (Caltrans) is hiring Civil Engineers. Positions exist statewide; Central Region offices include Stockton, San Luis Obispo, Fresno, and Bishop. Newly hired engineers participate in a Rotational Program designed to meet requirements for registration as a Civil Engineer. If you are entry level or a seasoned Civil Engineer, please contact Caltrans to discuss employment opportunities with our agency. (Salary range \$3574 - \$6239) Position requires valid EIT or BS in Civil Engineering from an ABET university. Become a part of the leading transportation agency in the nation.
