In San Joaquin/Sacramento Counties

TUESDAY, JUNE 7, 2011

WEDNESDAY, JUNE 8, 2011

THURSDAY, JUNE 9, 2011

Caltrans will conduct maintenance and pavement repair operations requiring the daytime closure of State Route 12 (SR-12) from Interstate 5 (I-5) in San Joaquin County to SR-160 in Sacramento County.

**The closure will be in place from
7:00 a.m. to 4:00 p.m.**

Detours will be posted. Motorists should consider I-80 and I-5 as alternate routes and should allow additional travel time due to the detour. The signed detour for east bound SR-12 traffic will be SR-160 north to Walnut Grove Road then to I-5 (a 30 mile/45 minute detour). SR-12 west bound traffic detour will be I-5 north to Walnut Grove Road then to SR-160 south.

Current truck restrictions apply. CA LEGAL with kingpin to rear axle less than 30 feet are OK on SR-160. Trucks are discouraged from using this detour route. Trucks are encouraged to use I-5 and I-80 as alternate routes.

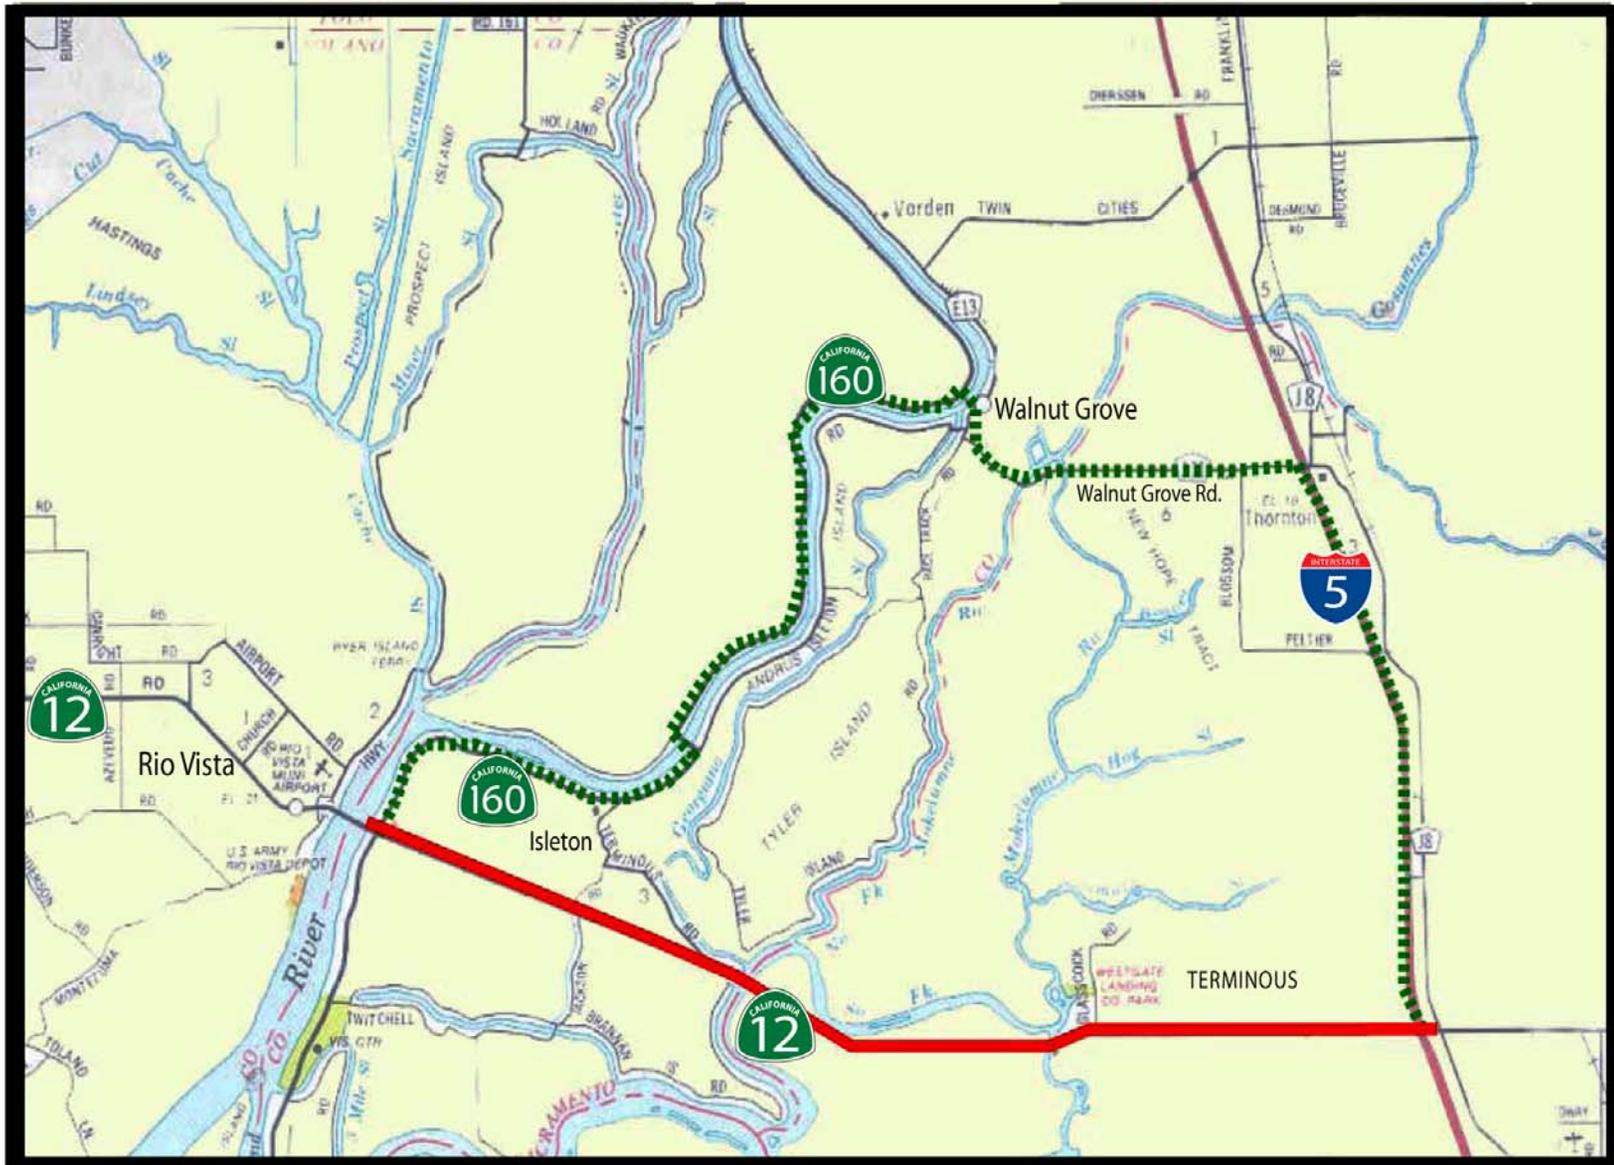

Access to local residents, businesses and emergency services will be allowed.

This complete road closure will allow maintenance crews to expedite repairs to SR-12. All work will be completed in three days time with this total closure as compared to fifteen days with 90 minute delays using one-way traffic control.
