## **MANDATORY PRE-BID MEETING INTERSTATE 5/NORTH STOCKTON WIDENING PROJECT**

**Stockton** - Prime- and Sub-contractors interested in bidding on the Interstate 5 (I-5)/North Stockton Widening Project (Contract No. 10-0G4704) are invited to attend the mandatory pre-bid meeting scheduled on Wednesday, March 23, 2011, from 9:00 a.m. until 11:00 a.m. at the San Joaquin County Fairgrounds, 1658 South Airport Way, Building #5, Stockton, CA 95206. The project proposes the widening of I-5 in Stockton from six to eight lanes from Country Club Boulevard to Eight Mile Road, within existing right-of-way. The Underutilized Disadvantaged Business Enterprise goal is 4%. The estimated construction cost is \$77,000,000.

Prime-contractors are mandated to attend the pre-bid meeting in order to bid the contract. This is a great opportunity for Small Businesses, Disadvantage Business Enterprises, and Disabled Veteran Business Enterprises to become certified and to network with prime contractors.
