FOR IMMEDIATE RELEASE

TRAFFIC ADVISORY STATE ROUTE 99 AT PELANDALE AVENUE IN MODESTO

Modesto – The California Department of Transportation (Caltrans) closed the northbound on-ramp from Pelandale Avenue to State Route 99 (SR-99) on Wednesday, August 13, 2013, for highway construction.

The on-ramp is scheduled to reopen Saturday, September 6, 2014.

Motorists should expect 5 minute delays. Alternate routes should be taken whenever possible.

Construction is scheduled to begin as listed, but is subject to change due to traffic incidents, weather, availability of equipment and/ or materials, and construction related issues.

This work is part of the \$61 million SR-99/Pelandale Avenue Interchange project, which will rebuild the interchange and double the lanes on the overcrossing from three to six. The project will also construct new ramps that connect with Sisk Road and Salida Boulevard. Construction began in May 2014 and is scheduled to be completed in winter 2016. The project received \$43.8 million from Proposition 1B, the \$19.9 billion transportation bond approved by voters in 2006.
