CONSTRUCTION ADVISORY
CALTRANS PREPARING TO PAVE STATE ROUTE 132
IN EASTERN STANISLAUS COUNTY

Stanislaus County – The California Department of Transportation (Caltrans) is preparing to begin work on a project that will pave 10 miles of roadway on State Route 132, from 2 miles north of Rushing Road to the Stanislaus/Tuolumne County line.

Work is scheduled to start the week of May 4, 2015, and be completed in August 2015.

The project is a maintenance overlay for pavement preservation, and this work typically extends surface life three to five years.

One-way traffic control will be used and drivers should expect 10-minute delays. Work is scheduled to be done during the day, Monday through Thursday from 6:00 a.m. until 6:00 p.m. and Fridays from 6:00 a.m. until 3:00 p.m.

This $1,640,000 project has been awarded to George Reed, Inc, of Modesto.

Work is scheduled to begin as listed, but is subject to change due to traffic incidents, weather, availability of equipment and/or materials and construction related issues.
