FOR IMMEDIATE RELEASE

TRAFFIC ADVISORY
Permanent Closure
STATE ROUTE 4/ WEST FARMINGTON ROAD AT STATE ROUTE 99
IN STOCKTON

Stockton - The California Department of Transportation (Caltrans) has closed the southbound on-ramp from State Route-4 (SR-4)/Farmington Road west to SR-99 as part of the South Stockton Widening Project.

Motorists should use the Mariposa Road on-ramp for access to southbound SR-99

This closure is part of the SR-99 South Stockton Widening Project. The $214.5 million project will widen SR-99 from four lanes to six lanes from Arch Road to SR-4. The project will build bridges; rebuild existing interchanges and permanently close some existing interchanges. The project when completed will ease congestion, improve mobility, decrease commute times and enhance safety within and through the county. Caltrans would like to extend our appreciation to motorists and residents for their cooperation during the construction of the SR-99 improvement project.
