RESCHEDULED
LONG TERM ON AND OFF-RAMP CLOSURES
MONTE DIABLO AVENUE
IN SAN JOAQUIN COUNTY

San Joaquin County – Due to the current weather, the California Department of Transportation (Caltrans) is rescheduling the closures of the southbound Interstate 5 (I-5) on and off-ramps at Monte Diablo Avenue. The closures will now occur beginning:

**Wednesday, May 13, 2015 through Thursday, June 18, 2015**

Motorists shouldn't expect delays. Alternate routes should be taken whenever possible.

This work is scheduled to begin as listed, but is subject to change due to traffic incidents, weather, availability of equipment and/ or materials, and construction related issues.

The closure is part of the $54 million I-5 Rehabilitation Project which reconstructs the existing eight lanes from Dr. Martin Luther King Jr. Boulevard/Charter Way to Country Club Boulevard in Stockton. The project will also widen the inside shoulders from 5 feet to 10 feet; rebuild the outside shoulders and auxiliary lanes; and replace existing guard rail with a concrete median barrier.
