October 2011

Parts of SR-78 Will Be Closed During Day, Safety Project Targets Slopes, Falling Rocks

State Route 78 between Indian Oaks Road and Weekend Villa Road will be closed weekdays for about three weeks, starting on Thursday, Oct. 27.

Crews will be repairing slopes along the highway on Monday-Friday, from 9 a.m.-3 p.m.

The detour for westbound motorists from the communities of Ramona and Julian is southbound on State Route 67 (SR-67) to westbound Scripps Poway Parkway and then on to Interstate 15 (I-15). Eastbound motorists should take I-15 to eastbound Scripps Poway Parkway and then on to northbound SR-67 to State Route 78.

This safety project will prevent rocks from falling down the slope and onto the highway.

Because of the nature of this work, it can only be done during daylight hours.

Your patience during this work is greatly appreciated. If you have any questions, please contact the Caltrans Public Information Office at (619) 688-6670.
