
General Information About This Document

What's in this document?

This document is an Initial Study/Environmental Assessment (IS/EA) and Proposed Mitigated Negative Declaration, which examines the potential environmental impacts of alternatives for the proposed project located in Imperial County, California. The document describes why the project is being proposed, alternative methods for constructing the project, the existing environment that could be affected by the project, and potential impacts from each of the alternatives.

What should you do?

- Please read this Environmental Document. Technical studies utilized in preparation of this document are available for public review at the locations listed in appendix H.
- We welcome your comments. If you have any concerns regarding the proposed project, please attend the Public Information Meeting and/or send your written comments to the California Department of Transportation by the deadline. Submit comments via regular mail to:

California Department of Transportation
Attn: John Chisholm, Senior Environmental Planner
Environmental Division Branch B
2829 Juan Street MS 46
San Diego 92110

- Submit comments via email to: Michael_W_Brewster@dot.ca.gov
