

**Legend:**

- |                                |  |   |
|--------------------------------|--|---|
| Developed                      | Eucalyptus Woodland                            | Potential interim area of no disturbance for the North Expressway Staging Option.   |
| Disturbed                      | Agricultural                                   | Potential interim area of no disturbance for the Central Expressway Staging Option. |
| Coastal Sage Scrub             | Freshwater Marsh                               | Potential interim area of no disturbance for the South Expressway Staging Option.   |
| Vernal Pool                    | Open Water                                     | Project Study Corridor  |
| Coastal Sage Scrub - Disturbed | Riparian Scrub                                 |   |
| Annual Grassland               | Disturbed Wetland                              |   |
| Standing Water                 | Multiple Habitat Planning Area (MHPA) boundary |   |

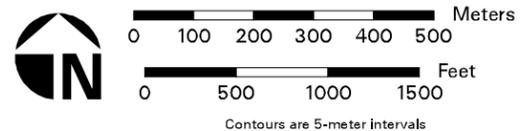

**Impact Footprint**

**North Alignment Alternative**

**Central Alignment Alternative**

**South Alignment Alternative**

Note: The impact footprints on this map have been produced in color to aid in distinguishing between the North, Central and South Alignment Alternatives.

Revised June 2001

**Vegetation Impact Footprint - Middle Segment  
Freeway Alignment Alternatives and Expressway Staging Option**
