SDUSD's construction program has a **40%** small and emerging business participation goal. If you are a Small or Disabled Veteran-, Minority- or Woman-Owned Business Enterprise, this event is for you!

- **Come meet staff from San Diego Unified School District's Construction and Contracts divisions.** Learn how to do business with SDUSD. Find out about upcoming projects.
- **Speak with SDUSD's top general contractors!** Learn what they look for at bid time.
- **Spend time with other San Diego County agencies!** Learn about regional contracting opportunities.
- **Mingle with industry professionals** and see what their organizations have to offer your growing company.

Supported in part by members of San Diego's Public Agency Consortium (PAC). The PAC is a committed partnership of regional public agencies focused on increasing bidding opportunities and the likelihood of success of small businesses on public agency contracts.
