## BROOKHURST RAMP CLOSURES Saturday, January 10, 2008

The California Department of Transportation (Caltrans) will be closing the Northbound 405 Brookhurst on-ramp and off-ramp on Saturday, January 10, 2008 from 4am to 2pm. Construction crews will be removing the existing striping and repaving the off-ramp.

These activities may result in noise and some vibration in the surrounding area during the construction hours. We regret any inconvenience this may cause; project engineers will monitor the work to make sure it is done as quickly and efficiently as possible.

In a construction zone, Caltrans advises motorists to “*slow for the cone zone*”.
