District: District 12, Orange County
Contact: Office of Public Information
Phone: (949) 724-2000

Full Weekend Closure of Northbound State Route 55 MacArthur Boulevard Off-ramp

Irvine—The California Department of Transportation (Caltrans) will continue construction activity along the SR-55 from 19th Street in Costa Mesa to 17th Street in the Santa Ana/Tustin area. A Full Weekend/55 Hour closure is scheduled at the Northbound MacArthur Boulevard Off-ramp beginning Friday, August 15, 2014 from 10 p.m. until Monday, August 18, 2014 at 4 a.m. for pavement reconstruction. Detours will be posted to alert

Date & Time	Location of 55-Hour Closures	Suggested Detours
Friday, August 15th at 10 p.m. until Monday, August 18th at 4 a.m.	Northbound MacArthur Boulevard Off-ramp	1. North SR-55 to North Dyer Rd to South Main St 2. North SR-55 to South Dyer Rd to West Redhill Ave

During the month of August 2014, one-time 55-hour ramp closures are scheduled at Baker Street, MacArthur Boulevard and Paularino Avenue for pavement reconstruction work. Caltrans will provide advance notice for planned ramp closures and other mainline impacts. All closure information and detours will be posted at the Caltrans website address www.dot.ca.gov/dist12

This \$17 million project will rehabilitate the roadway by reconstructing the Off-ramps, rebuilding the approach slabs at the bridges, installing new concrete median barriers and upgrading sidewalks near the ramps. Construction crews will grind and groove the existing asphalt concrete and replace it with rubberized asphalt concrete. The projects goal is to reduce sound and provide a smoother surface. There are 390 working days with an estimated completion of December 2015. The contractor is All American Asphalt.

For more information on this or any traffic information or project in Orange County you may contact District 12 Public Information Office at (949) 724-2000 or log on to the Caltrans website at www.dot.ca.gov/dist12

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
