INTERSTATE 5 EMERGENCY ON RAMP CLOSURE ON TAP

The California Department of Transportation (Caltrans) will be conducting an emergency sewer line repair that will force the closure of the El Camino Real on-ramp on southbound Interstate 5 in the City of San Clemente, beginning Tuesday, July 12, 2011.

An eight-inch sewer line was damaged and crews will begin emergency repairs that will require the closure of the El Camino Real on-ramp to southbound Interstate 5 beginning at 6 a.m. on Tuesday, July 12, 2011. The closure will remain in effect until 6 p.m. on Friday, July 15, 2011. Traffic is not expected to be impacted and no other closures will be in effect. Detours are available for motorists.

As always, to ensure the safety of workers and the traveling public, in a construction zone, please remember to “*slow for the cone zone*”, be alert, and proceed with caution.

For more information about this project, or any other freeway project in Orange County, please contact Caltrans at (949) 724-2000 or log on to the Caltrans main website at: [www.dot.ca.gov/dist 12](http://www.dot.ca.gov/dist12).
