SOUTHBOUND AND NORTHBOUND I-5 NIGHTTIME CLOSURE AT CROWN VALLEY PARKWAY

The California Department of Transportation (Caltrans) will close the Southbound I-5 at Crown Valley Parkway in the City of Mission Viejo effective Thursday, February 9th 2012 from 11:59 p.m. to 4:00 a.m. and Northbound I-5 at Crown Valley Parkway, February 10, 2012 from 11:59 p.m. to 5:00 a.m. Construction crews have placed changeable message signs to advise motorists of detours around this temporary closure.

Detour routes are as follows.

I-5 southbound, all traffic must exit at southbound off-ramp to Crown Valley Pkwy and then to southbound on-ramp.

I-5 northbound, all traffic must exit at northbound Crown Valley Pkwy off-ramp (right turn), North (Left turn) to Marguerite Pkwy, West (left turn) to OSO Pkwy and then to I-5 northbound on-ramp.

This closure is required to remove the falsework which supported the Crown Valley Parkway Bridge during the bridge construction retrofit.

As always, to ensure the safety of workers and the traveling public, in a construction zone, please remember to *“slow for the cone zone”*, be alert, and proceed with caution.
