OSO PARKWAY WEEKEND RAMP CLOSURES MAY 14-16/ MAY 21-23

The California Department of Transportation (Caltrans) will close the southbound offramp and the westbound loop onramp on Interstate 5 at Oso Parkway in the City of Mission Viejo, beginning Friday, May 14, 2010 at 8PM through Sunday, May 16, 2010 at 5AM. In addition, the eastbound Oso tangent onramp will be closed from Friday, May 21, 2010, at 8PM through Sunday, May 23, 2010 at 5AM. Detours and CMS signs will be in place in advance of the closures.

This closure is due to continuing construction work on the \$14.3 million Oso Parkway Interchange Project which began on September 15, 2008, with an anticipated completion date of June 2010.

As always, to ensure the safety of workers and the traveling public, in a construction zone, please remember to *“slow for the cone zone”*, be alert, and proceed with caution.
