## 55 HOUR FULL CLOSURE OF INTERSTATE 5 SOUTHBOUND OFFRAMP AT CAMINO DE ESTRELLA IN AND NEAR THE CITIES OF SAN CLEMENTE AND DANA POINT

**Irvine**—The California Department of Transportation (Caltrans) has begun a upgrade improvement project at Camino De Estrella in the Cities of Dana Point and San Clemente that will require ramp closures at Interstate 5 and Camino De Estrella .

TIME AND DATE	CLOSURE LOCATION
55 hours from 11:59 p.m. Friday, August 10 <sup>th</sup> to 4:00 a.m. Monday, August 14th, 2012	South Bound Interstate 5 Offramp to Camino De Estrella

The proposed project is located in cities of Dana Point and San Clemente California and includes constructing an auxiliary lane along southbound I-5 to the off-ramp at Camino De Estrella, and widening the off-ramp from a single lane to a two lane exit.

Local street improvements include widening the over-crossing structure from five lanes to seven lanes, adding an additional westbound Camino De Estrella left turn lane to the southbound 1-5 on-ramp, and adding an additional eastbound Camino De Estrella through lane.

Changeable message signs will be in place to alert motorists of the closures.

The Contractor for the Project is Granite Construction Company of Vista California.

For more information, please contact the District 12 Public information Office at (949) 724-2000 or log on to the Caltrans website at [www.dot.ca.gov/dist12](http://www.dot.ca.gov/dist12).

**Disclaimer:** Due to unforeseen operational factors or inclement weather, these times and dates may change.

[@Caltrans12](https://twitter.com/Caltrans12)

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
