For more information on this or any traffic information or project in Orange County you may contact District 12 Public Information Office at (949) 724-2000 or log on to the Caltrans website at [www.dot.ca.gov/dist12](http://www.dot.ca.gov/dist12)

**Disclaimer:** Due to unforeseen operational factors or inclement weather, these times and dates may change.

CaltransDistrict12

@Caltrans12

California law requires vehicles to safely reduce speed, move over, and merge into unoccupied lanes when emergency vehicles, construction vehicles, or tow trucks are displaying flashing warning lights.

Caltrans reminds motorists to use extra caution and reduce speeds when driving through construction zones.
